RE: Preliminary Adoption of Amendments to Women, Infants and Children (WIC) Program  
Rule, 410 IAC 3.6

The Indiana State Department of Health requests that the Executive Board, at the Board's January 12, 2011 meeting, adopt the proposed amendments to the WIC Program Rule (410 IAC 3.6). The proposed rule amendments would add a definition for "contract brand infant formula," update minimum stock requirements and update preauthorization visit requirements.

A Notice of Intent was published on the Indiana Register Website on December 1, 2010 starting the one year period to adopt this rule amendment.
